capital fund
product control number
economic area
consignment
customs territory
net mass
capacity calculation
household washing machine
works contract
identity of means of transport
certificate of inspection
exclusive right
security exception
joint proposal
provisional disclosure
subsidised import
international trade
arbitration panel
certificate of approval
electronic transport document
immediate packing
price of natural gas
corporate income
military equipment
request for a review
actual value
economic operator
passive means of transport
subtotal
unpaid balance
amortisation of intangible assets
trade agreement
guarantee waiver
manufacture of goods
cocoa butter
domestic sale
national trader portal
import price
country of preferential origin
specific contract
malt extract
price suppression
trade committee
express request
approved exporter
customs decisions system
diversion notification

special account
sole distributor
business register
information package
conventional duty
trade
award procedure
medicinal substance
common customs tariff
special fiscal territory
purchase option
nature of the goods
investment aid
competent customs office
wheat gluten
union producer
occasional service
supply contract
debt management
corporate entity
motor-driven fan
clearing house
marketable quality
sales agreement
special stamp
sole distributor
transaction value
domestic price
domestic procedure
late payment
non-automatic import licensing
distinct market
underselling margin
market surveillance
memo item
award of the contract
re-export
autonomous tariff suspension
originating product
country of last known destination
middle-value contract
free movement
central government authority
national single window
export refund
oleaginous fruit
replacement certificate

auto loan
preferential origin of goods
level of trade
discriminatory
border crossing
fallback procedure
harmful substance
nominal mass
exemption certificate
market failure
income support
individual treatment
clearance decision
guarantee
tariff ceiling
trading entity
valance
air heater
tax warehouse
injury elimination level
accounts clearance decision
deferred payment
auction
beverage cooler
market distortion
accompanying document
high speed craft
definition of the product
exclusive external competence
roasted coffee
taric additional code
qualified electronic signature
action plan on vat
buying commission
outward processing
end use
repair service
group of companies
audit office
packing list
audiovisual co-production
importer
point of sale
price evolution
undertaking invoice
measuring device
notification of arrival

initiation of an investigation
marketed production
estimated cost
household final monetary consumption expenditure
deposit
reserve price
preferential tariff treatment
geographical indication
anti-competitive conduct
defatted
engineer officer
lease contract
import declaration
determination
repayment
administrative ruling of general application
offer price
temporary admission procedure
pumped storage
pastern band
certification system
kinematic viscosity
transaction
finance income
delivery period
fire detection
cost of equity
grant
estimated residual value
auction process
exclude
trade regime
trigger volume
customs supervision
clean price
food business operator
local content requirement
movement certificate
stranded wire
market surveillance authority
debtor
processing
gas cylinder
selling price
reporting

international trade in services
toy safety
waste
market intelligence
new financial service
related company
capacity provider
investment protection
aluminium hydroxide
management information system
capital
cariforum states
enquiry point
accession
joint tender
development of trade
computerised reservation system
non-cooperating company
grand total
contribution
supplementary declaration
cargo space
customs control equipment
homogeneous product
expenditure
commercial policy
present value
credit agreement
goods
anti-subsidy proceeding
cocoa preparation
technical capacity
hearing officer
originating status
tattoo ink
framework contract
preferential tariff measure
automated export system
arbitration clause
distribution chain
short-term debt
financial account
safeguard clause

common market
trade credit
individual examination
transitional arrangement
consignment note
test gas
community tariff quota
mercuric oxide
provision of security
marketing approval
trade proceeding
external transit procedure
ad valorem duty
common health entry document
cash
fruit jelly
regulated market
spot price
express carrier
customs export declaration
eea efta states
commercial processing
mass-market product
external relation
end-use customs supervision
monitoring of trade
expiry date
tobacco refuse
conclusion
consignee
exemption
market entry
instantaneous water heater
electric blanket
simplification
standard exchange
volume of exports
balance of payments
actual exportation
total quantity
statement of objection
determination of normal value
application
sub-tariff quota
cross-check
reference number
free trade agreement

product class
commodity
foreign trade
nominal interest rate
call for expressions of interest
single point of access
pest infestation
exchange gain
memorandum item
total capital ratio
market fragmentation
lfc block
market segment
digital supply chain
commodity code
export insurance
pharmaceutical product
time of arrival
overseas trade
substitute product
determination of injury
foreign exchange
change in stocks
review request
hazardous chemical
mobile machinery
preferential agreement
authorised consignee
special procedure
commercial activity
external trade
amortization period
weighted average dumping margin
customs office of exit
countertrading
provision of a security
consumer protection
import tariff
destination code
elimination of customs duties
classified
crude oil
factor of production
appropriation
applicant
validity
processing procedure

office of exit
import licence
unit price
agreement on rules of origin
pricing policy
adjustment for depreciation
material injury
new exporting producer treatment
budget contribution
price observation
definitive regulation
fire door
total cost of production
average price
commercial transaction
construction in progress
cocoa bean
budgetary control
sub-chapter
binding tariff information
constituent
privacy statement
clearing agency
electronic commerce
supplement
